

# Manifest Your Destiny

Optum Care puts patients first and values physician excellence.

At Optum Care, we provide an unrivaled opportunity for our physicians to create and deliver quality medical solutions that enhance the lives and conditions of our patients. Our practice model gives you the freedom and support to be your best. We give you the tools, technologies and training to engage with people, educate them about their treatment, and partner with them in their journey to better long-term health and well-being.

## Upward Bound

Optum Care is a nationwide, physician-led organization that is part of the UnitedHealth Group family of businesses. Our reach is coast to coast with more than 30 regionally-respected care delivery organizations working as one. You can expand your expertise, advance your career and work almost anywhere you want – while enjoying a consistent well-paid quality of life, practice support, tenure and longevity rewards throughout your career.

## The Optum Way

We want physicians who endeavor to advance the future of medicine, are passionate about better serving their communities, and focused on transforming the delivery of health care one insight, one connection, one person at a time.

Join Optum Care. Together, we can change lives by practicing medicine the right way. Do **your life's best work.**<sup>SM</sup>
