## ENVISION A WORKPLACE WHERE YOUR RN SKILLS WILL SHINE AS BRIGHT AS THE FLORIDA SUN.

At UF Health Shands, you can be part of a Magnet®-recognized nursing team at Florida's premier hospital system, advancing patient care, driving state-of-the-art practices and participating in advanced training and research. Located in lively Gainesville, Florida, UF Health Shands Hospital is seeking dynamic RNs who want an array of cutting-edge opportunities and who are determined to influence inspired, comprehensive patient care.

Here, you'll work with extraordinary nursing leaders and clinicians who are dedicated to nurturing growth, fostering discovery and exploring innovations. Together, we're setting a standard of excellence with expert care that is regionally focused and internationally recognized.

### UF HEALTH WORK/LIFE BALANCE INCLUDES:

- Florida relocation assistance
- No state income tax
- Excellent salary and full-time benefits
- Flexible scheduling options
- Generous paid time off to explore Walt Disney World, Universal Orlando, SeaWorld and more
- Numerous state parks with hiking, fishing, canoeing and camping
- Stunning beaches and natural wonders to enjoy year-round
